## *Morning Glory (2010)*

2:00 pm on Thursday, April 7th in the 3<sup>rd</sup> Floor Auditorium

When hard-working TV producer Becky Fuller (McAdams) is fired from a local news program, her career begins to look as bleak as her hapless love life. Stumbling into a job at "Daybreak" (the last-place national morning news show), Becky decides to revitalize the show by bringing on legendary TV anchor Mike Pomeroy (Ford). Unfortunately, Pomeroy refuses to cover morning show staples like celebrity gossip, weather, fashion and crafts - let alone work with his new co-host, Colleen Peck (Keaton), a former beauty queen and longtime morning show personality who is more than happy covering morning "news." As Mike and Colleen clash, first behind the scenes and then on the air, Becky's blossoming love affair with fellow producer, Adam Bennett (Wilson) begins to unravel - and soon Becky is struggling to save her relationship, her reputation, her job and ultimately, the show itself.

No matter how old you are, you never get over high school. Successful PR pro Marni (Kristen Bell) heads home for her older brother's (Jimmy Wolk) wedding and discovers that he's marrying her high school arch nemesis (Odette Yustman), who's conveniently forgotten all the rotten things she did so many years ago. Then the bride's jet-setting aunt (Sigourney Weaver) bursts in and Marni's not-so-jet-setting mom (Jamie Lee Curtis) comes face to face with her own high school rival. The claws come out and old wounds are opened in this crazy comedy about what happens when you're reunited with the one person you'd like to forget.
