Montreal Theatre Record  
(1899 – 1904) 

Inventory

Scrapbooks of programs from Montreal principally, also New York, London and Paris from 1899 to 1904, compiled by a member of an upper class Montreal family (probably English-Canadian) with notes on the productions and his/her companions at the theatre. An interesting record of theatrical tastes of the period.

Most programs have been removed and incorporated into the Theatre Programs collection of Montreal theatre programs (especially the Montreal Academy of Music), and late 19th and early 20th century British theatre programs. The notes of date, theatre, and title of production remain in this manuscript collection, as do duplicate programs.
